DRIVE DOWN YOUR COMPANY'S MILEAGE COST BY 25%

www.companymileage.com

CompanyMileage specializes in reducing mileage reimbursement costs for home visit organizations and non-profits. Our web-based solution replaces employee self-reported mileage with point-to-point mileage calculations reducing mileage costs an average of 25%.

Association members will benefit from cost-savings services from CompanyMileage as well as receive a 10% discount on their mileage and expense reimbursement solutions.

CompanyMileage developed an automated web-based technology that accurately verifies employee mileage & manages the reimbursement process thus providing companies with significant savings on mileage reimbursement.
