

## **Belmont Pines Hospital**

### Community Liaison - Southern Ohio

#### Job Description\*

Do you have skills and experience in connecting professionals to treatment options for their clients? Do you want to work with a collaborative team that supports each other and believes that work can also bring you fulfillment? If so, we want to hear from you! Belmont Pines Hospital is seeking an experienced full-time Community Liaison to increase awareness of the hospital's inpatient and residential treatment programs to professionals across the Southern Ohio area. Key objective will be to inform, educate and communicate our programs and services to those who treat mental health disorders. Belmont Pines is a 102 bed inpatient and residential facility which provides specialized treatment for children and adolescents. Our facility is located in Youngstown, Ohio. This position is based out of a home office anywhere in the Southern Ohio area.

#### Responsibilities\*

- Regional outreach in a specified targeted territory for Belmont Pines.
- Identify potential referral sources and develop, manage and grow relationships that result in referrals.
- Requires a minimum of 50% travel.
- Build relationships by providing effective contact management of both established and potential referral sources.
- Track and evaluate the effectiveness of marketing activities and continually look for ways to improve the effectiveness of marketing and outreach activities.
- Submit timely reports on a regular basis.

#### Job Requirements\*

- Bachelor's Degree in social sciences, marketing or business administration
- Previous experience in the mental health field preferred
