

## Home Based Treatment Therapist

**Are you looking for flexible hours with some hours in the evening and on weekends? Do you feel confident in your skills as a clinician? If so, we are looking for individuals that are dedicated to creating a community where every young person has the opportunity to thrive! You will work with a nationally recognized innovator in services for families in crisis alongside highly trained and skilled clinicians!**

HBT Therapists will:

- provide intensive home based therapy, community based therapy and/or family therapy
- work with clients who have intense mental health needs
- address ongoing treatment needs while providing ongoing evaluations and updates
- implementing crisis management as needed to improve placement stability
- complete Individualized Assessment and Treatment Plans
- provide on-call support to families
- develop discharge and transition plans
- provide Community Psychiatric Supportive Treatment
- provide case management services, if required

Required Education and Experience:

- Professional licensure in State of Ohio as a Social Worker, Counselor, or Marriage and Family Therapist
- One (1) year of professional social service experience
- Demonstrated mental health therapy experience with an understanding of various mental health diagnoses.

Preferred Education and Experience:

- Master's degree in social work, counseling or closely related field
- Professional independent licensure in the State of Ohio as a Social Worker or Counselor
- At least two (2) years of professional social service experience or independent licensure
