

THERAPISTS – SOCIAL WORKERS – COUNSELORS

\$2,000 Sign on Bonus

Are you interested in working with vulnerable youth who struggle with mental health needs and may have multiple systems involvement? Are you passionate about wanting to support young adults in having a better life? Are you looking for a career in the social services field in order to make a difference in youths' lives? If so, we have roles to fit your interests....come join the Lighthouse team!

You would focus on some or all of the following:

- Provide therapeutic services to clients and families who have been assessed as needing mental health intervention in order to stabilize symptoms of a MH disorder
- Engage clients, families and natural supports to participate in treatment through treatment planning and progress reviews
- Work closely with other professionals in providing treatment services in the areas of mental health, employment, education, and criminal offending behaviors
- Provide individual, family, and group psychotherapy/counseling to youth in home, school, and office
- Conduct risk and diagnostic assessments and develop/implement individual service plans

Required Education and Experience:

- Professional licensure in State of Ohio as a Social Worker, Counselor, or Marriage and Family Therapist
- One year of professional social service experience
- Knowledge of or willingness to learn and apply trauma-informed care principles
- Experience providing Medicaid services preferred
