

## Exhibitor Update

Please Note: No Exhibitor Opportunities for the 2025 Symposium

We're grateful for the continued support of our exhibitors as we thoughtfully shape this event to best serve attending professionals.

To allow participants to fully engage in the Symposium's rich content, we will not include exhibitor spaces this year. However, sponsorship opportunities will be available—details coming soon.

We look forward to welcoming exhibitors back at our Spring Conference, where expanded time and space allow for deeper networking and engagement.
