

Margrit Springer, MSW, LISW-S, LICDC-CS

Vice President of Integrated Care

The Buckeye Ranch

Margrit received a Master's Degree in Social Work from The Ohio State University and a Bachelor of Science in Psychology from Denison University. She began her career at The Buckeye Ranch in 2005 as a Youth Leader. Since then, Margrit has held many roles across Buckeye Ranch programs to include Day Treatment Clinician, Family Coordinator, Clinical Supervisor, and Senior Clinical Manager within the Admissions and Engagement Department. In 2016, Margrit and her team transformed the front door of the agency improving access to care for families seeking mental health services with the Buckeye Ranch through the implementation of Same Day Access within Admissions and Engagement. In 2019, Margrit began oversight of both the Admissions and Engagement Department and Medication Management as Director. In 2021, Margrit started in her current role as Vice President of Integrated Care and implemented the Buckeye Ranch Care Management Entity in July 2022. With her experience and in her role, Margrit is focused on horizontal and vertical integration for program lines to ensure a deep mission orientation in supporting families through the complex Medicaid system and advancing the organization in value-based care and care coordination.
