

OHIO BRIDGES PARTNER SOCIAL MEDIA POSTS

INSTRUCTIONS. Between now and June 16, please share these social media posts on your channels. We recommend at least twice a day on Facebook; once a day on Instagram and LinkedIn; and up to three times per day on Twitter. While you know your audience best, it's important to note that Facebook has shown to drive the most traffic for advocacy campaigns.

We have created two related graphics. A square graphic for posts and a vertical graphic for stories. Download the graphics [here](#) and [here](#).

Urgent call to action: Help foster kids by asking your Senator to maintain funding for the Ohio Bridges Program. It provides a pathway for kids 18-20 who age out.
